

## ***PATSY'S LEGACY PROJECT GRANTS***

Do you have a need for money to help supplement a new or ongoing project in your classroom or school? Consider applying for a **PLPG** through the local **Alpha Chi Chapter of Delta Kappa Gamma**.

We will be awarding up to \$500 each to different school projects within the Burnet, Llano, and Marble Falls Communities. (total of \$5000/year)

What are the **Patsy's Legacy Project Grants** all about? **Patsy McDonald** was an innovative teacher in the MFISD for 28 years, teaching mathematics and physics. She had also taught at SWTSU and the University of Texas at Austin during her college years, and after working at MFISD went on to work with the development and implementation of the UT QUEST program. The Patsy's Legacy Project Grant was established in May 2015 to honor her. Patsy would enjoy knowing that she continues to be a part of educating children through these grants.

Timeline: Application due 8/31

Announced by 9/30

Please go to [alphachitxdkg.weebly.com](http://alphachitxdkg.weebly.com) for a Patsy's Legacy Project Grant application. Look under "Grant Information."

## **Alpha Chi Chapter of the Delta Kappa Gamma Society International**

March 10, 1934  
Texas Area VII

Serving the women educators of the Highland Lakes in the Texas Hill Country in the counties of Burnet and Llano

Membership in the Delta Kappa Gamma Society International is by invitation. Alpha Chi welcomes inquiries from those women educators who are currently employed or retired in any field or level of education.

**Mission Statement:** The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

Alpha Chi Chapter holds five meetings each year. The meetings are the 2nd Monday of Sept., Oct., Nov., Feb., and April. The meetings rotate between Burnet, Llano, and Marble Falls. Each community also holds a local meeting in Aug. and March.
